Drugs (Illegal, Prescription & over the counter)

Protect your family by safely disposing of unused and/or expired medications at any of the medicine take back boxes in your County. This is commonly your local police department or drug store like Walgreen’s. When you drop off unused or expired prescriptions and over-the-counter (OTC) medications at medicine take back box:

- Cross your name off the medication label with a permanent marker. Medicine bottles are not examined when they are removed from the drop box and are safely and securely destroyed.
- Keep pills in their original containers instead of dumping them into large bags. Medications can be removed from outer cartons but should be kept in original bottles as they were prescribed.
- Contact the location nearest you if you have any questions or have a large amount to drop off.
